Stakeholders Meeting – Broadband Expansion Grant Program
Monday, October 28, 2013, at 1:30 p.m.

STAKEHOLDERS MEETING - BROADBAND EXPANSION GRANT PROGRAM

Wisconsin Stat. § 196.504 creates a PSC-administered grant program to fund broadband in underserved areas of the state.

The PSC staff prepared a discussion paper to address a variety of issues on how to implement this program, by focusing on several questions:

Who can apply? What is broadband? How should underserved be defined? What activities can be funded?

How will applications be evaluated? What should be in a grant application?

Commission staff is holding a stakeholders meeting on Monday, October 28, 2013, at 1:30 p.m., to further discuss the broadband expansion grants program in general. The meeting is intended as a way for interested persons to ask questions and to give perspectives, with the hope that the meeting (and concurrent written comment process) will help solidify some issues, identify areas of consensus, and clarify issues that may need further attention.

Questions may be directed to Dennis Klaila at (608) 267-9780 or dennis.klaila@wi.gov.
